

***Peep Inside our Stories ...  
... and Bring Out a New One!***

**Contest rules and regulations:**

**1. Steps to follow to enter the contest**

- Purchase a minimum of 10 different fiction readers for the students in the group (a group will consist of 10 students).
- Send the group's project by e-mail together with the completed registration form and a copy of the receipt to the following address: [bookshop@uniscan.ro](mailto:bookshop@uniscan.ro).

**2. Contest Challenge**

- Organise groups of 10 students within the same segment (primary/ lower, secondary/ high school).
- Each participant of the group chooses a favourite character of the story they read. There should be 10 characters in total in the new story. For this, each participant presents his/her favourite character and the group will decide by vote who will be the main characters and the side characters. Keep in mind that each chosen character brings with him/her the message of the story he/she comes from.

- Use all 10 characters to write a new story. Make sure to follow the requirements:

Primary school: students' projects should be designed on A4 format paper (word or pdf format if you'd like to include illustrations); number of pages: 4; correct meanings of the words.

Lower/upper secondary: students' projects should be designed on A4 format paper (word or pdf format if you'd like to include illustrations); number of pages: 6; accurate grammar structure.

Each group should use the template we provide and send us back the story.
